

# Word of God

*Erika Kobewka*

*C* *F*  
The Word speaks into chaos,  
*C* *F*  
And hovers over the deep.  
*C* *F*  
The Word speaks into chaos,  
*C* *F*  
And hovers over the deep. *Am G F*

The Word speaks into disorder,  
And breaths life into our bones.  
The Word speaks into disorder,  
And breaths life into our bones. *Am G F*

The Word speaks into darkness,  
And fills the formless void.  
The Word speaks into darkness,  
And fills the formless void.

*Am G F*  
And this Light shall overcome the shadows,  
*Am G F*  
This Light shall overcome.  
*Am G F*  
And this Light shall overcome the shadows,  
*Am G F*  
This Light shall overcome.  
*Am G F*  
Hallelujah!  
*Am G F*  
Hallelu!
